Office of the Dewan of Mysore.

NOTE.

Camp, Mysore,
Dated 6th April 1927.

Special memo
no 198

I think it is necessary to make arrangements to give Medical Graduates employed in the Medical Department a course of post-graduate training in Eye work at the Minto Opthalmic Hospital the period of training being fixed at, say, about six months. The Senior Surgeon may kindly be requested to send up a scheme at an early date for consideration by Government.

Serial No.	
1	To the Senior Surgeon. No 4 11013 dated 11.4.27 calls for proposals for a scheme for giving Post Graduate training to Medical Graduates in the Minto Opthalmic Hospital, Bangalore.
(2)	Letter no 4-C 4321 dated the 12th April 1927 from the Senior Surgeon in Mysore suggesting that it would be enough if Medical Graduates are attached to the Minto Opthalmic Hospital or to the Eye Dept of the K R Hospital for a period of three months after they receive training for a year in either the Victoria Hospital or the K R Hospital Bangalore after obtaining their M.B. Medical Degrees. Submitted for orders, with reference to orders at para 1 of the note below. C.S. 20/4/27

Sir,

With reference to your letter No.G.11013/Med. 165-26-1. dated 11th April 1927, requiring me to submit a scheme for giving post-graduate training for a period of six months at the Minto Ophthalmic Hospital to all Medical Graduates employed in the department, I have the honour to state that on entertainment, every Medical Graduate is, as a rule, posted either to the Victoria Hospital, Bangalore, or to the Krishnarajendra Hospital, Mysore, with a view to afford them sufficient scope to get a good grounding in general medical and surgical work, so essential to members of the medical staff when they are called upon to serve in outlying medical institutions.

After finishing a year's period in either of these institutions, such of them as are attached to the Victoria Hospital, Bangalore, could be easily sent to the Minto Ophthalmic Hospital, for three months, only which is the period fixed for Post-Graduate work in the case of qualified medical men in Government Order No.L.2759/Med. 42-24-2, dated 27th September 1927 and which is quite enough. Those who are attached to the Krishnarajendra Hospital could attend the Eye Department of the Hospital which is also under an Officer who has undergone special training in Eye Diseases in England.
